ASSOCIATE LARGE ANIMAL VETERINARIAN

Northwoods Veterinary Service has been serving central Wisconsin for nearly 20 years. We provide high-quality veterinary services to our clients. Our focus is on reproduction and overall herd health. Located 20 miles East of Wausau, and 1 hour West of Green Bay, with abundant opportunities for outdoor activities like hiking, fishing, hunting, camping, etc!

Job Description:

Full-Time, Large Animal Associate; Focus on milk quality, herd health, and ambulatory services; On-Call shared by all doctors; Ability to develop clinical skills with experienced mentors; Commitment and support to your career goals and professional growth. The potential candidate should be proficient in rectal palpation and ultrasound, and have a basic understanding of production animal medicine, individual cow medicine, and be able to perform common on-farm surgical procedures.

Details & Benefits:

- Salary commensurate with experience
- Professional Dues: 3 per year
- Professional liability provided
- CE Allowance: \$3000 biennial
- PTO: 15 days/year
- Full Benefits Package (Health, Dental, Vision, STD, LTD, Life, Accident, + more!)
- 401K with employer match (after 90 days)
- Four Weeks PAID family leave (after 12 months)
- Accelerated ownership opportunity with our Associate Equity Program!
