

AABP POSITION STATEMENT

Tail docking

The AABP opposes the routine tail docking of cattle. Current scientific literature indicates that routine tail docking provides no benefit to the animal.

(Renewed on recommendation of the Animal Welfare Committee by the AABP Board of Directors on September 16, 2016)
(Approved by the AABP Board of Directors on March 13, 2010)
(This statement supersedes all previous statements)
