

Udder Tech Waterproof Bibbed Overalls

Couldn't live without my udder tech bibs! Awesome cleanup comfortable and definitely a necessity!
- Nathan

As a large animal vet, Udder Tech bibs are my go to clothing choice for staying clean(ish) on farm calls. Highly recommend!
-Megan

The bibbed overalls are lightweight and versatile to keep dry in any weather. They are sized generously to allow for layering, without being too baggy. Well made and built to last.
-Erin

Great quality and amazing product! Keeps my jeans nice and dry, and best of all clean! Would recommend to anyone looking for comfortable waterproof bibs!
