Remember a Pet is a great way to outreach to your clients. It means a lot to them. We get thank you letters every week from clients who have received a card. It’s also a way that we feel we’re giving back to God, to feel like we’re helping fund missionaries around the world that are sharing Christ and serving people to make their living conditions and livelihoods better.

Our Cards

All Remember a Pet cards can be personalized and tell the story of the impact CVM makes globally. From goat projects in India to rabbit care in Uganda, building relationships in Haiti to our work with domesticated animals around the world, we have a card that will honor the life of any pet and bring comfort to pet owners.

Make A Difference

By using the Remember a Pet card program, you help CVM veterinarians in places like Asia, Africa, and Latin America provide basic animal health care, nutrition, first aid and disease prevention for rural people who depend on livestock for their survival.

Your donation also helps CVM empower veterinary professionals to serve their own communities, encourage veterinary students, and work on Native American reservations in North America.
