

WE HELP YOU DELIVER

Offer your clients more.

Now your practice can offer the convenience of home delivery with the confidence of shopping from a trusted source.

Regain revenue

lost to outside sources and receive payment before an order ships.

Control margin

by setting your own prices.

Maximize profits

with competitively priced products.

Reduce inventory costs

while expanding selection. Choose from thousands of items from top manufacturers.

Diversify your client base

by offering products for companion animals, equine, and livestock.

Increase compliance

with budget friendly single dose shipments, automatic refills and scheduled orders.

Promote your store

using complimentary pre-printed and customized digital marketing materials.

Sign up for success

with our user friendly platform backed by clinic and client customer support.
