Introducing...

midwest veterinary supply

Making A Difference In Your Practice

Established by Dr. Robert G. Flickinger, DVM, Midwest Veterinary Supply has been a leader in supporting the veterinary industry since 1961. As our company continues to grow, we remain focused on our original purpose; offering exceptional value to veterinarians and their staff who entrust us with their business.

Our value goes beyond the products we sell and includes old-fashioned values such as honesty, commitment, and doing what is necessary to exceed your expectations.

We realize that you have a choice of suppliers and we would like the opportunity to demonstrate how we can help your practice grow. Your success and trust is our ultimate goal.

Together we can make a difference in your practice.
