

**More Savings**

Industry pros are here for you,  
in-person and on-site

# It's the MORE that matters

Purchasing Services, Inc. has evolved into PSIvet. That stands for Professional Services for the Independent Veterinarian, a name that reflects our commitment to offering you more.

Today we're much more than the leading veterinary GPO. We're your trusted advocate, with extended services and a support system that help you and our more than 5,000 members go toe-to-toe with corporate competitors—and succeed.

**More Insight**

Put practice and partner data  
to work for you

**More Support**

Implement tools and best practices  
that save time and money

**It all adds up to ... More Value  
Only \$50 per month**

The first and largest group purchasing organization in the industry now offers education and technology. What more could you ask for?

### GPO

Purchase goods and services at negotiated prices through the industry's first and largest group purchasing program

### Education

Learn to be more productive with our proprietary training resources

### Technology

Use automated tools and data insights to strengthen your business

## “The Most Trusted Advocate” for the Independent Veterinary Practice<sup>SM</sup>

The PSIVet team works closely with yours to make sure you get the most from your membership. A dedicated Area Manager delivers our services with a personal touch and a caring attitude that's worth far more than you pay. That matters not only to members, but to the pet owners and pets who count on their independent veterinarians to be there and be strong.

“My PSIVet District Manager is the most cost-effective employee we'll ever have.”

Dr. Jennifer Edwards  
Ponemah Veterinary Hospital in Amherst, NH

“I care about making your practice better and keeping you focused on care.”

Lacey Davis  
District Manager for the Mid-Atlantic Region

**It's easy to join. And it's risk free.**

There are no sign-up fees, contracts or cancellation fees. Plus we offer a money-back guarantee. That's how sure we are that those who sign up for PSIVet are going to want to stay.
