

25 mL, 50 mL

Metal V-Grip Repeaters

Technical Specifications

25 mL Metal V-Grip

| | |
|--------------|----------------|
| Barrel | Polysulfone |
| Dose Type | Selectable |
| Dose Range | 0.5 mL - 25 mL |
| Increments | 0.5 mL |
| Product Code | 850 0000-042 |

50 mL Metal V-Grip

| | |
|--------------|----------------|
| Barrel | Polysulfone |
| Dose Type | Selectable |
| Dose Range | 1.0 mL - 50 mL |
| Increments | 1.0 mL |
| Product Code | 850 0000-043 |

Polypropylene Barrel Service Kits Available for Increased Chemical Resistance

Injectors fill through the tip and feature a robust ergonomic metal handle design to reduce hand fatigue. Easy to clean and maintain, with five fixed dose settings for ease and speed of use.

Recommended Use

Available Service Kits and Accessories

25 mL Polysulfone Barrel Service Kit
850 0000-058

1x 25 mL Polysulfone Barrel
1x O-Ring

50 mL Polysulfone Barrel Service Kit
850 0000-054

1x 50 mL Polysulfone Barrel
1x O-Ring

25 mL Polypropylene Barrel Service Kit
850 0000-232

1x 25 mL Polypropylene Barrel
1x O-Ring

50 mL Polypropylene Barrel Service Kit
850 0000-057

1x 50 mL Polypropylene Barrel
1x O-Ring

25 mL O-Rings
850 0000-140

5x O-Rings

50 mL O-Rings
850 0000-143

5x O-Rings

Interchangeable Colored Knobs
850 0000-000

1x Each Color
Yellow, Red, Green and Blue
