We're here to help

Our team is ready to answer your questions and assist you in getting started with GVL University.

 515-817-5704

 gvluniversity@globalvetlink.com

Continued learning for veterinary students, hospital staff and animal health professionals.

Education

Our GVL University education courses help prepare students, new graduates and animal health professionals with a greater understanding of documentation processes and regulatory requirements in their fields.

Getting started

To complete GVL University education courses:

- Visit education.globalvetlink.com.
- Click on the course name and you will be directed to the login screen.
- Click 'create new account' and enter your information. You will be sent a confirmation email with a link to verify your account.
- Once you have verified your account, login and click Enroll (below the course name) to view the course.

Practice

With our GVL University practice environment, try your hand at creating digital animal health and movement documents. Perfect for veterinary students or new hospital staff, users can create:

- Health certificates (CVIs)
- International pet movement documents
- EIA (Coggins) tests
- Rabies vaccination certificates
- Veterinary prescriptions
- Veterinary Feed Directives (VFDs) and more

Getting started

To request a registration code for the GVL University practice platform:

- Email your full name and affiliation (university, clinic, etc.) to gvluniversity@globalvetlink.com.
- Once you've received your registration code:
- Visit university.globalvetlink.com to finish signing up for your free GVL University account.

Learn more at www.globalvetlink.com/gvluniversity.

Peace of Mind Software

Thousands of veterinarians feel at ease with the compliant, accurate animal health records they've created in the GVL platform.
